Petition No. 65-113

Date Filed 11/8 1965

To Charlotte-Mecklenburg Planning Commission
Charlotte, North Carolina

Gentlemen:

Your consideration of a recommendation to the City Council for a change in the zoning classification of the property hereinafter described is requested.

Title to the property was acquired June 29, 1948, and is in the name of

Mrs. Gertrude Funderburk, whose address is RFD#3, Box 137J,
Matthews, N. C., and the deed is recorded in Book 1316,
at Page 607, in the office of the Register of Deeds for Mecklenburg County.

Location of Property: West side McAlway Road, 138.39 feet South of Beal Street,
and known as Lot 9 as shown on map of Section 1, GRAYSON PARK, recorded in
Map Book 3 at Page 640.

Present Zoning Classification: R-9

Requested Zoning Classification: R-6MF

Reasons why the zoning classification should be changed: Because of recent and extensive multifamily development of immediate neighborhood, the zoning requested will permit the best and most appropriate use of these premises which will be developed concurrently with the property adjoining on the North and under the same ownership. Presently, the zoning of petitioners' property is split between two different zones.
