FROM: Debra Campbell  
 Planning Director

SUBJECT: Petition No. 79-15 by American Cablevision of Carolina, Inc.

Attached is a revised plan for the above petition. The plan has been revised to reflect a new allocation of the square footage and show additional structures. Since these changes are minor, I am administratively approving this revised plan. Please use this revised plan when evaluating requests for building permits and certificates of occupancy.

Note all other ordinance requirements still apply.
