Re: Amendment to Conditional Zoning  
Motorola, Inc. 087-071-39

Dear Mr. MacVean:

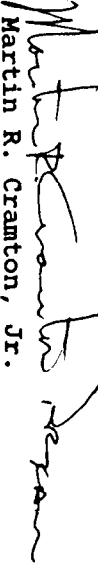

On behalf of my client, Motorola Inc., this letter is to request the Planning Commission to amend the existing Conditional Zoning on the referenced property to allow the construction of a second tower.

Enclosed are four (4) copies of a new site plan showing the proposed tower and listing all the pertinent information.

Please keep me informed of the status of this request.

SUBJECT: Administrative approval for Petition No. 83-3 by Sugar Creek  
Investments Group, Tax Parcel Nos. 087-072-1, 2-5, 7 and 087-072-15,  
16-21

Attached is a specific plan for a portion of the above mentioned rezoning petition. The plan attached is for Motorola Inc., showing the location of a second radio tower. Since the originally approved plan places no restrictions on a second radio tower, I am administratively approving this plan. Please use this plan when evaluating requests for building permits and certificates of occupancy.
