CHARLOTTE-MECKLENBURG PLANNING COMMISSION
 INTER-OFFICE COMMUNICATION

DATE: April 22, 2004

FROM: *[Signature]* Debra Campbell, Interim Planning Director

TO: Robert Brandon, Zoning Administrator

SUBJECT: Administrative Approval for Petition No. 03-03 by Diangikes Grier and George Fields, Jr.

Attached is a copy of the revised plan for the above rezoning petition. The plan has been revised to convert a portion of the retail square footage and day care square footage to office square footage. The plan also indicates a minor change to the site layout and a small increase to the overall allowable square footage. Since these changes do not alter the intent of the development and are minor, I am administratively approving this revised plan. Please use this revised plan when evaluating requests for building permits and certificates of occupancy.

Note that all ordinance requirements still apply.
