DEVELOPMENT STANDARDS

General Provisions

These Development Standards form a part of the Rezoning Site Plan associated with the Rezoning Petition filed by TMV Partners on Sharon Amity Road, LLC for an approximately .88 acre site located on the south side of Sharon Amity Road across from Colwick Road which is more particularly depicted on the Rezoning Site Plan (the "Site").

Development of the Site will be governed by the Rezoning Site Plan, these Development Standards and the applicable provisions of the City of Charlotte Zoning Ordinance (the "Ordinance"). The regulations established under the Ordinance for the Mixed Use Development District ("MUDD") zoning district shall govern the development of the Site subject to the Optional provisions outlined below.

Development of the Site will be restricted to reuse of the existing structure and no additions or expansions to the existing structure are permitted.

Permitted Uses

The Site may be devoted to office, retail, restaurant and commercial uses along with accessory uses as permitted in the MUDD zoning district with the following exceptions:

- Fast food restaurant with drive through facilities shall not be permitted
- Bar or nightclub shall not be permitted

Setbacks, Side Yards and Rear Yards

As more particularly depicted on the Rezoning Site Plan, the building and parking areas located on the Site shall be setback a minimum of 14 feet from the back of the curb line along Sharon Amity Road. The building located on the Site shall also satisfy or exceed the rear yard and side yard requirements established under the Ordinance for the MUDD zoning district.

Optional Provisions

The MUDD - Optional process is being utilized in order to allow the following:

- 1) The existing detached signage which measures approximately 75 inches in height and approximately 97 inches in width may remain and the copy on such signage may change according to various tenant needs.
- 2) The existing sidewalk and planting strip may remain.

Lighting

The maximum height of any new freestanding lighting fixture (including its base) installed within the parking areas located on the Site shall be 20 feet. All such free standing lighting fixtures shall be full cut off and the illumination downwardly directed so that direct illumination does not extend past any property line of the Site.

Parking

Vehicular parking shall be provided at the following rate:

- a. A minimum of 1 parking space per 100 square feet of floor area shall be provided for any restaurant use located on the Site. For purposes of calculating the parking requirements only, outdoor dining areas shall be considered to be restaurant floor area.
- b. A minimum of 1 parking space per 300 square feet of floor area shall be provided for any retail use located on the Site.
- c. A minimum of 1 parking space per 250 square feet of floor area shall be provided for any medical office located on the Site.
- d. A minimum of 1 parking space per 300 square feet of floor area shall be provided for all other uses located on the Site.

Fire Protection

Adequate fire protection in the form of fire hydrants will be provided to the Charlotte Fire Marshal's specifications.

Right of Way

1) Petitioner will dedicate and convey to the City of Charlotte 5 feet of right of way along the Site's frontage on North Sharon Amity Road, such 5 feet of right of way to be measured from the southern edge of the existing right of way of North Sharon Amity Road. The 5 feet of right of way to be dedicated and conveyed to the City of Charlotte is more particularly depicted on the Rezoning Site Plan.

2) Petitioner acknowledges that the portion of the Site designated as the "Potential Outdoor Dining Area 500 sf" on the Rezoning Site Plan is located within the future right of way of North Sharon Amity Road, and in the event that additional right of way is acquired by the City of Charlotte such that an outdoor dining area located on the Site is located within the right of way of North Sharon Amity Road, the outdoor dining area will have to be removed by the owner of the Site unless the owner of the Site enters into an encroachment agreement with the City of Charlotte.

Parking Signage

In the event that it is requested by the owner of the parcel of land located immediately to the east of the Site (Tax Parcel No. 185-031-06)(the "Adjoining Parcel"), the owner of the Site shall, at its sole cost and expense, install up to 3 signs on the Adjoining Parcel that generally advise that the parking spaces located on the Adjoining Parcel are for use only by tenants and occupants of the building located on the Adjoining Parcel and their visitors and guests, and that any unauthorized vehicles parking on the Adjoining Parcel shall be subject to towing at the expense of the owner of the unauthorized vehicle.

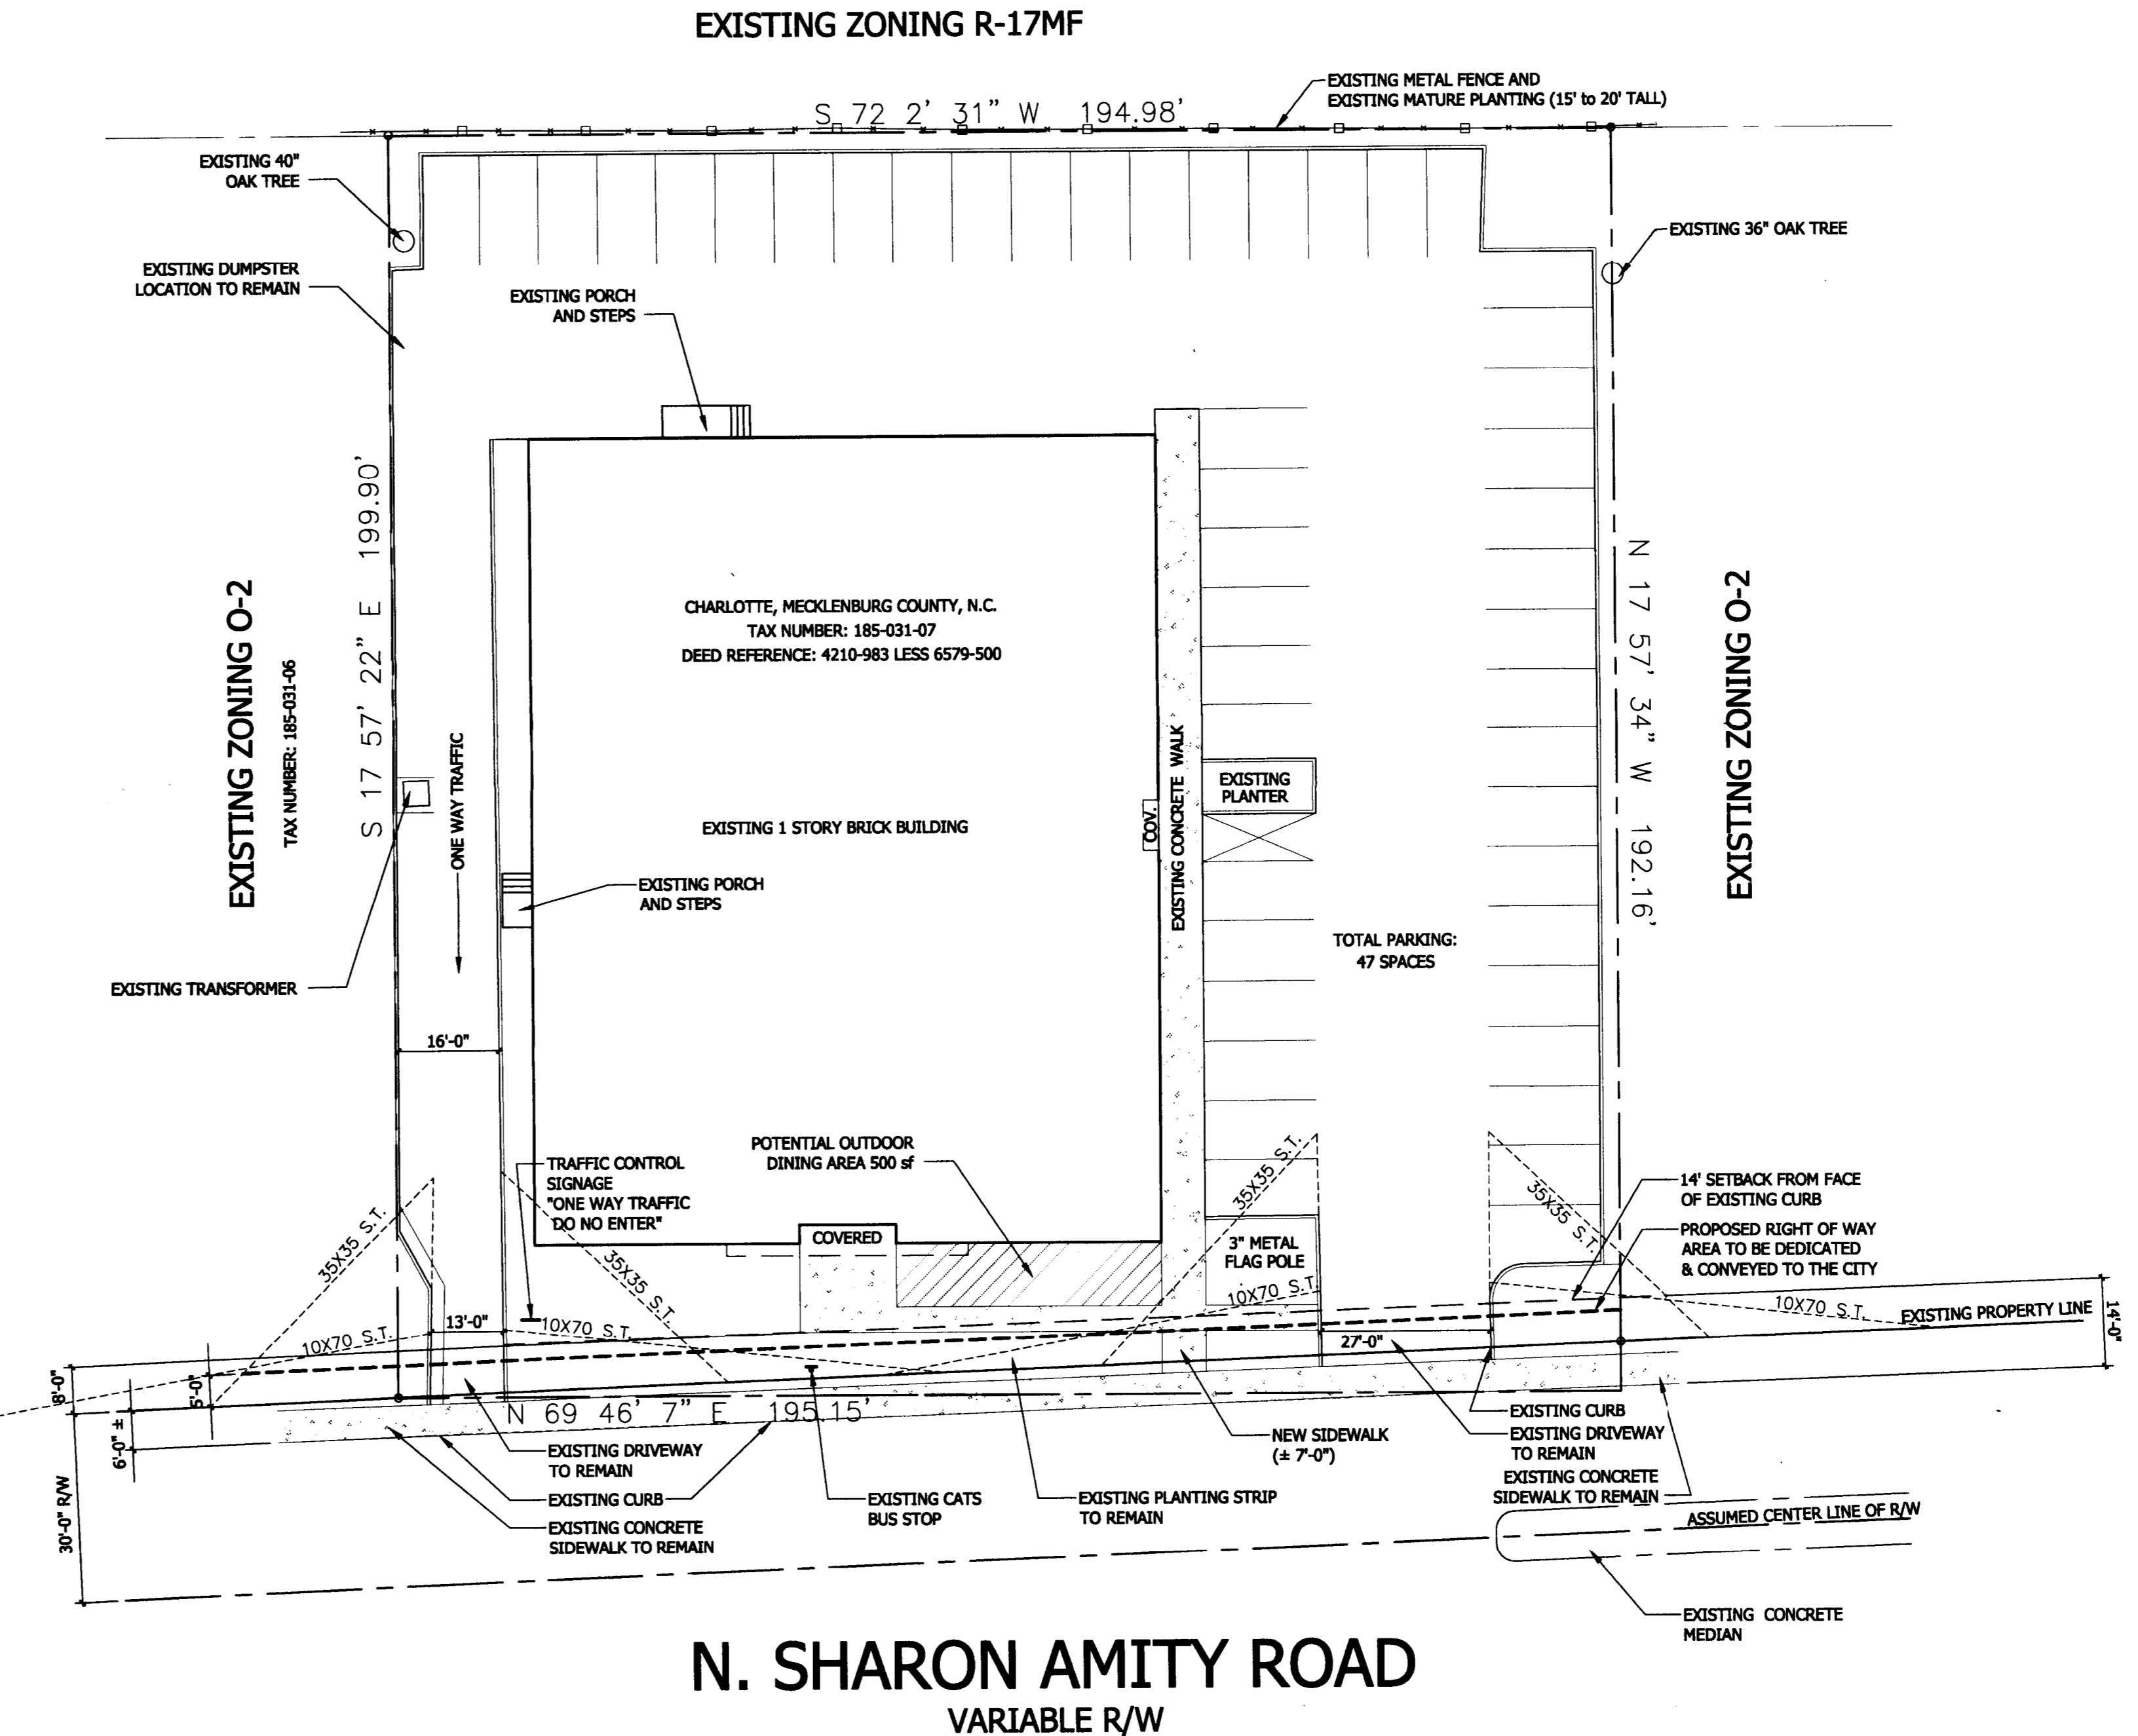

Amendments to Rezoning Plan

Future amendements to the Rezoning Site Plan and these Development Standards may be applied for by the then Owner or Owners of the Site in accordance with the provisions of Chapter 6 of the Ordinance.

Binding Effect of the Rezoning Documents and Definitions

If this Rezoning Petition is approved, all conditions applicable to development of the Site imposed under the Rezoning Site Plan and these Development Standards will, unless amended in the manner provided under the Ordinance, be binding upon and inure to the benefit of the Petitioner and the current and subsequent owners of the Site and their respective successors in interest and assigns.

Throughout these Development Standards, the terms, "Petitioner" and "owner" or "owners" shall be deemed to include the heirs, devisees, personal representatives, successors in interest and assigns of the Petitioner or the owner or owners of the Site from time to time who may be involved in any future development thereof.
