Purpose of Change:

The purpose of this amendment is to modify the Zoning Ordinance to comply with Session Law 2009-533 and modifications to the North Carolina Fair Housing Act (G.S. Chapter 41A).

New legislation has made it an unlawful discriminatory housing practice for a local government to make land use decisions based on the fact that a development or proposed development contains affordable housing units for families or individuals with incomes below 80% of the area median income.
