

BOUNDARY SURVEY

ADJACENT PROPERTY OWNERS

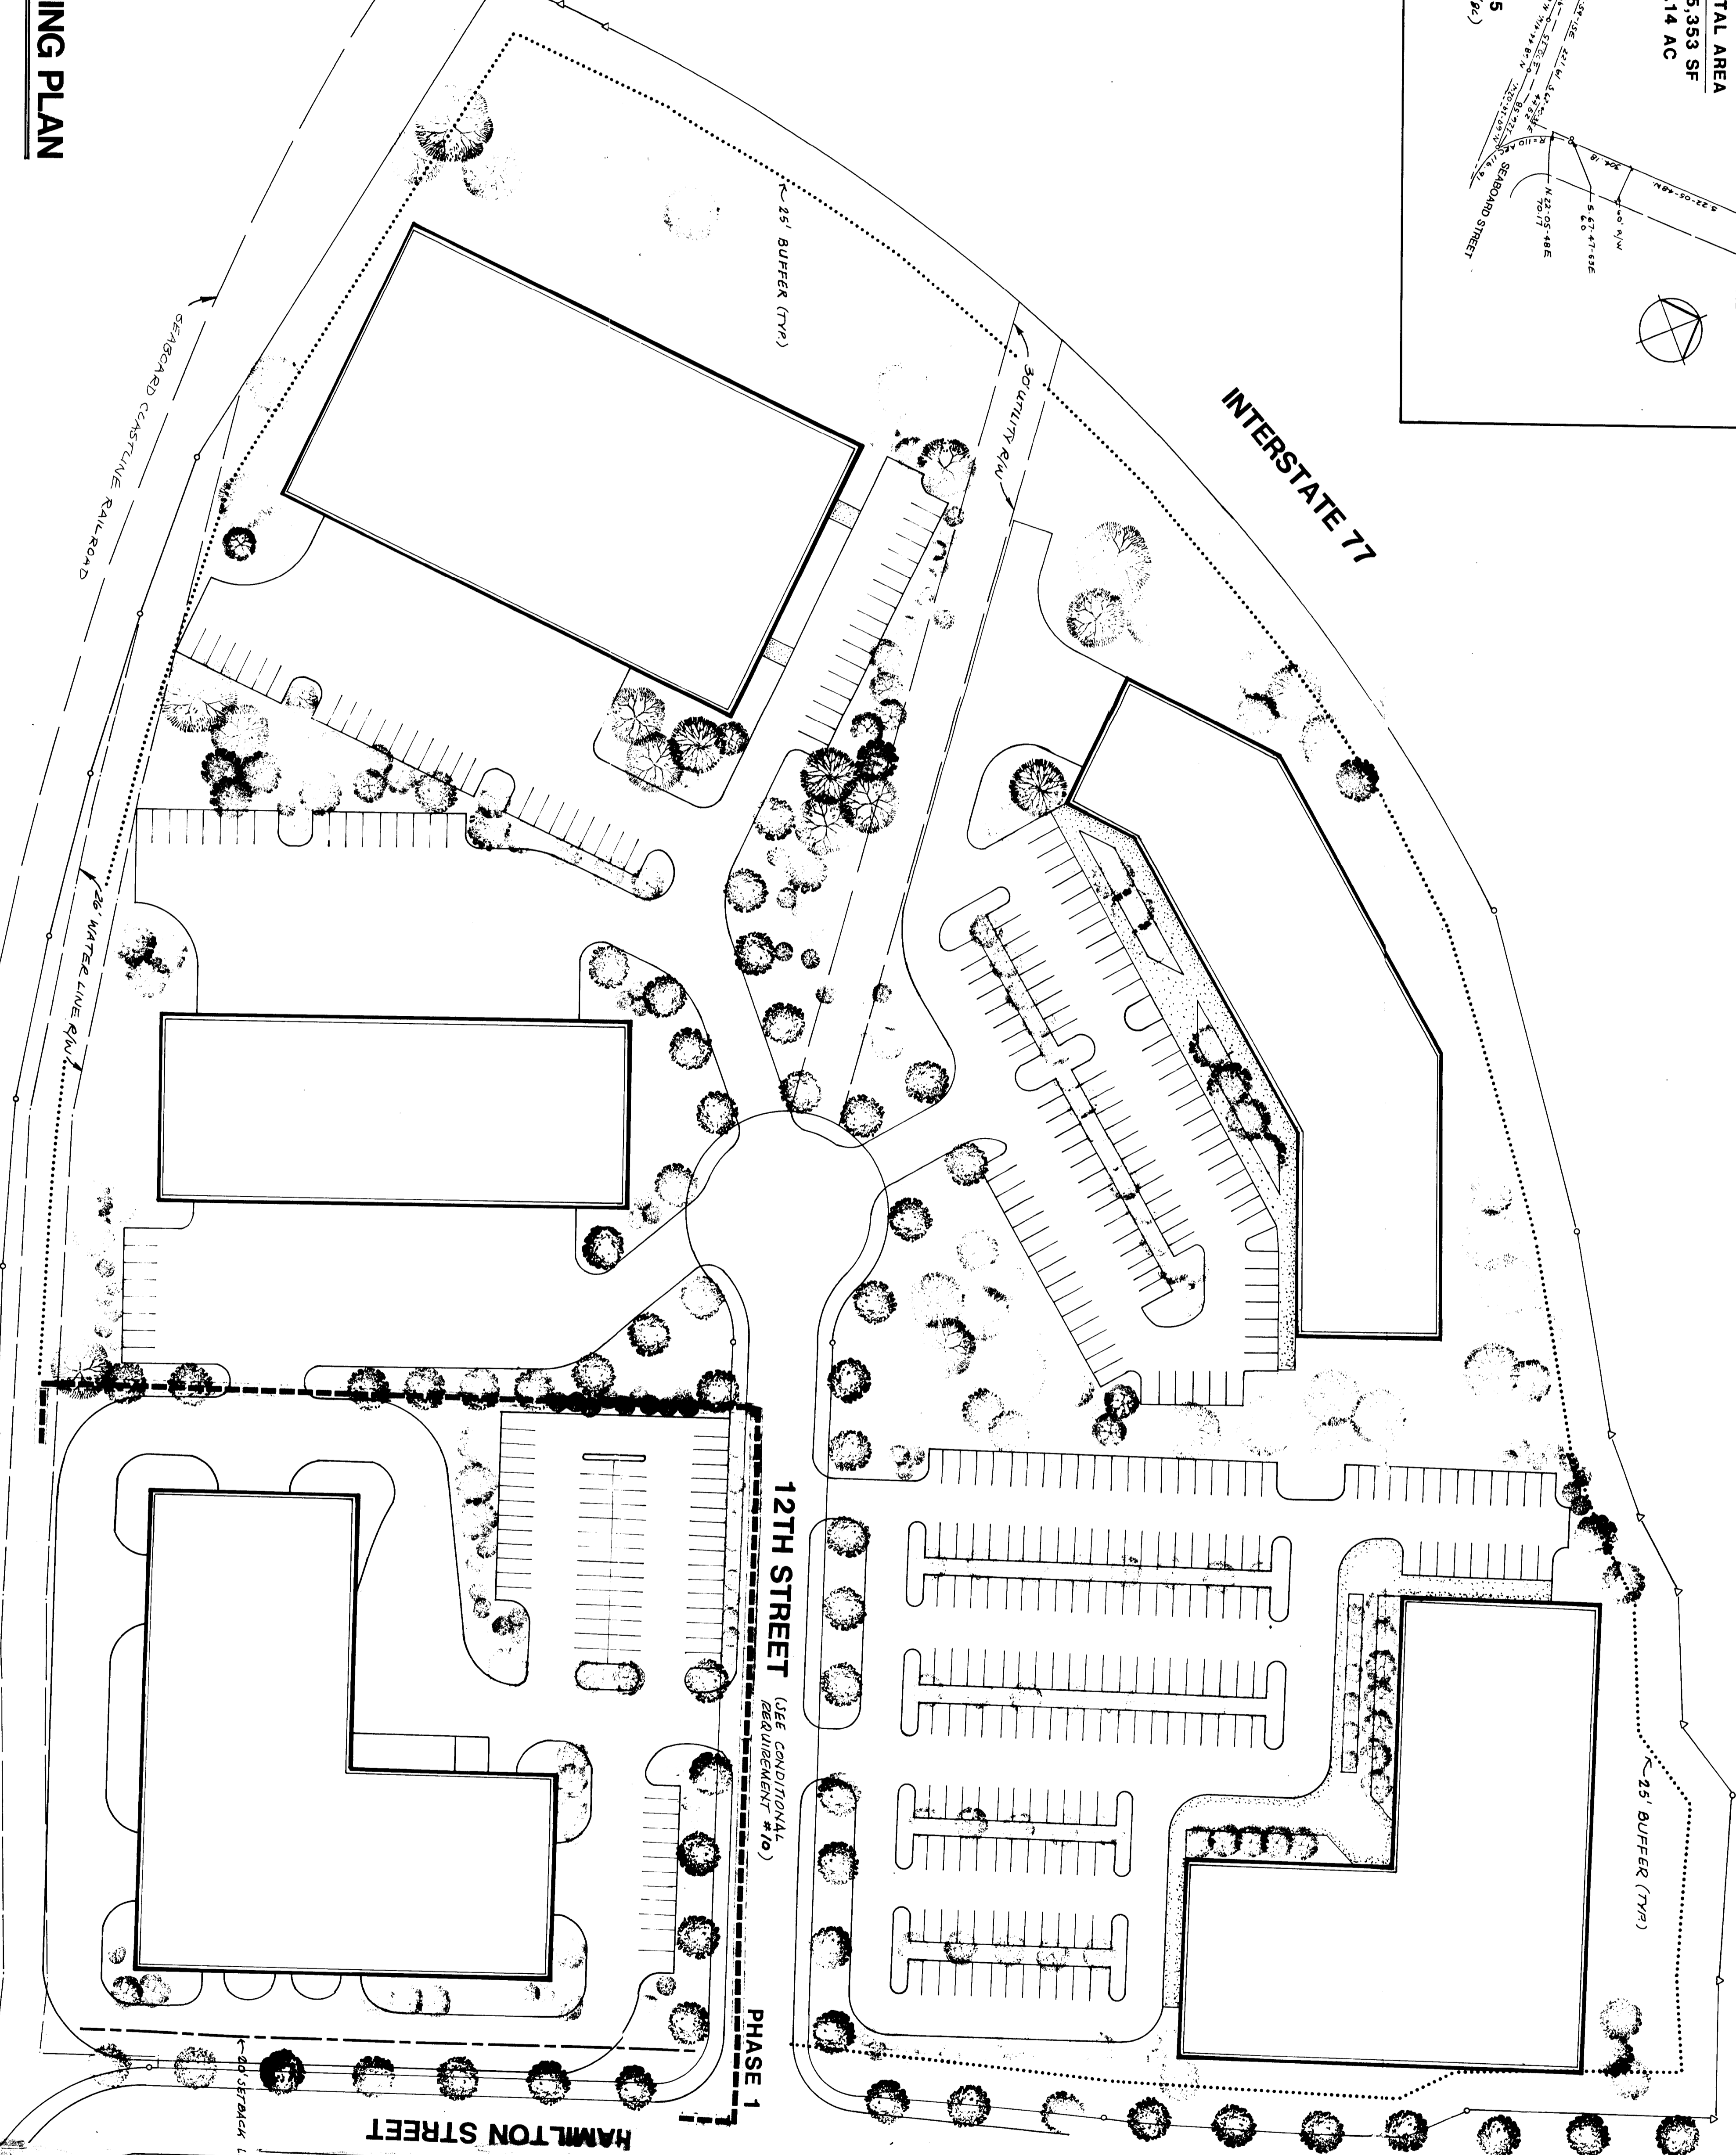

EXISTING ZONING : I-1
PROPOSED ZONING : I-2 (CD)
ACREAGE : 21.14 AC

CONDITIONAL REQUIREMENTS

1. Parking will not be permitted in setbacks.
2. Building and parking layouts may be subject to modification depending on the results of the site plan review. The Petitioner will be required to submit the specifications of the layout of each building to the Planning Department for review and approval prior to the construction of each building. The Petitioner shall submit data relating to the intended use of each building to the Planning Staff for review for compliance with the conditional uses set forth hereunder.
3. Within the property lines, provide interior planting areas "minimum" of 100 sq. ft. per building. Provide ground surfaces covered with concrete or asphalt.
4. Maximum building square footage for all buildings on the site will be 125,000 square feet.
5. Intended uses of the site are marketing, administration, fabrication and distribution of finished goods on the site will be allowed under the existing zoning. The Petitioner shall follow the following I-2 Industrial uses as set forth under Section 3070 of the Charlotte Code:
 - (a) Number 80. Compounding, manufacture, refining or processing of rubber products only.
 - (b) Number 101. Manufacture of certain textile products excluding asbestos products.
 - (c) Number 107. Plastics materials, synthetic resins, synthetic rubbers, cellulose and man-made organic fibers, manufacturing.
6. Provide a 25' buffer zone around the entire site perimeter (except for Phase I) with buildings, parking, and roadways not permitted.
7. Provide storm water detention facilities in accordance with the drainage detention ordinance, a portion of which is set forth in the City Code.
8. A four foot sidewalk along the property frontage on Hamilton Street in accordance with City of Charlotte standards has been constructed.
9. No advertising billboards will be permitted on the site.
10. A petition will be filed with the City of Charlotte to abandon 12th Street. If the petition is denied, all applicable signs and requirements (including sidewalks and setbacks) will be retained.
