*Note: ADA pedestrian issues have been identified and quantified in the ADA Survey Summary. There are instances where multiple issues can be resolved with a single corrective measure. The ADA Compliance Cost Estimate reflects the best estimation of quantities and cost to resolve all identified ADA issues. **Note: Additional investigation may be warranted when sidewalk running slope issues exist within the right-of-way. ***Note: Excluded items are violations that occur in areas with slope violations and have been excluded from the cost estimate.
