| <p>*Note: ADA pedestrian issues have been identified and quantified in the ADA Survey Summary. There are instances where multiple issues can be resolved with a single corrective measure. The ADA Compliance Cost Estimate reflects the best estimation of quantities and cost to resolve all identified ADA issues.</p> <p>**Note: Additional investigation may be warranted when sidewalk running slope issues exist within the right-of-way.</p> |            |                                                  |           |            |            |                                                                                                                          |             |                                                                                                                     |                                                                                                   |                                                                                                                         |                                                                                                                                     |  |  |
