There are instances where multiple issues can be resolved with a single corrective measure. The ADA Compliance Cost Estimate reflects the best estimation of quantities and cost to resolve all identified ADA issues. |                                                                                                                      |                                                                                                                          |                                                                                                                     |                                                                                                                                     |                                                                                                                        |                                                                                                                          |                                                                                                               |
|                                      |            |                                                  |            |            |             | **Note: Additional investigation may be warranted when sidewalk running slope issues exist within the right-of-way.                                                                                                                                                                                                |                                                                                                                      |                                                                                                                          |                                                                                                                     |                                                                                                                                     |                                                                                                                        |                                                                                                                          |                                                                                                               |
