| *Note: ADA pedestrian issues have been identified and quantified in the ADA Survey Summary. There are instances where multiple issues can be resolved with a single corrective measure. The ADA Compliance Cost Estimate reflects the best estimation of quantities and cost to resolve all identified ADA issues. |             |  |                                                  |          |            |           |                                                   |                                 |                     |         |                                     |                                                 |                 |               |  |  |
| **Note: Additional investigation may be warranted when sidewalk running slope issues exist within the right-of-way.                                                                                                                                                                                                |             |  |                                                  |          |            |           |                                                   |                                 |                     |         |                                     |                                                 |                 |               |  |  |
