| *Note: ADA pedestrian issues have been identified and quantified in the ADA Survey Summary. There are instances where multiple issues can be resolved with a single corrective measure. The ADA Compliance Cost Estimate reflects the best estimation of quantities and cost to resolve all identified ADA issues. |                                   |           |                                |                                               |            |            |                                                   |                                      |             |             |                     |                                      |                                     |                                                 |               |               |
