Property Location: 200 Hawthorne Lane  
Deed #5148-229

To Whom It May Concern:

The City of Charlotte is preparing to make improvements at the above "project site". A survey crew will be performing location surveys and subsurface investigations, for planning purposes, within the area of the project. This work will enable City staff to properly evaluate the different alternates developed for this project.

Through available tax records and the Register of Deeds Office, we have determined that you have title interest to a parcel of land within the study area we have defined for the subject project. Surveyors and geotechnical personnel, representing the City and our consultants, may need to enter upon your property for the purposes of surveying property lines, locating physical features, and taking soil borings. State law authorizes entry on your property for this purpose, however, no buildings or structures located on your property will be entered.

We would like to thank you in advance for your cooperation in this matter. Should you have any questions concerning this project, please feel free to contact Bob Blackwelder, Project Manager at 336-4104, Monday through Friday, 8:00 a.m. to 5:00 p.m.

Sincerely,
