SUBJECT: Administrative Approval for Petition No. 88-34(c) by
Transport Realty Company - Tax Parcel No. 025-122-08, 09

Attached is a revised plan for the above mentioned rezoning petition. The plan has been revised to add a mobile office. This mobile office will be located at the front of the site along Transport Drive between the existing terminal building and the shop building. This new mobile office is not a permanent building, it will be moved before permanent certificates of occupancy are issued for the vehicle maintenance building and the old shop which will be converted to office space. Pursuant to my authority as outlined in the Zoning Ordinance, I am administratively approving this plan. Please use it when evaluating requests for building permits.
