Planning Director

SUBJECT: Administrative approval for Petition No. 90-83 by Crowder Construction Company - Tax Parcel #081-114-06,07,09,10-14 and 54

Attached is a letter from Mr. Allison requesting two minor changes to the above mentioned rezoning petition. The changes involve the type and number of trees to be planted along Seigle Avenue. The changes are substituting four Red Maples for the Oaks shown on the original plan. The number of trees has been reduced so as to comply with the requirements of the tree ordinance. Since these changes are minor I am administratively approving these plans.
