Martin R. Cramton, Jr.
Planning Director
SUBJECT: Administrative Approval for Petition No. 2002-130, Dennis Richter and 2003-45, Richter and Associates.

Attached is a revised elevation for the above rezoning petitions. Please replace the elevation sheet from the originally approved plans with this revised plan. Since this change in elevations is minor and does not alter the intent of the original site plan, I am administratively approving this revised plan. Please use this revised plan when evaluating request for building permits and certificates of occupancy.
