DATE: January 8, 2007
 FROM: Debra Campbell, Planning Director
 TO: Gary Huss, Zoning Supervisor

SUBJECT: Administrative Approval for Petition No. 2006-028 by Southminster

Attached is a revised plan for the above petition. The plan has been revised to increase the width of sidewalks in the parking area in lieu of wheel stops. Since this change is minor, I am administratively approving this revised plan. Please use this plan when evaluating requests for building permits and certificates of occupancy. Note that all other ordinance requirements still apply.
