

Petition No. 2010-066  
Petitioner: Charlotte-Mecklenburg Planning Department

NOV 15 2010

AN ORDINANCE AMENDING APPENDIX A  
OF THE CITY CODE –ZONING ORDINANCE

ORDINANCE NO.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHARLOTTE:

Section 1. Appendix A, "Zoning" of the Code of the City of Charlotte is hereby amended as follows:

A. CHAPTER 12: DEVELOPMENT STANDARDS OF GENERAL APPLICABILITY

1. PART 2: OFF-STREET PARKING AND LOADING

- a. Amend Section 12.202A, "Bicycle parking standards", subsection (1), "Short-term bicycle parking", subsection (b), "Location", by adding new language for the location of short-term parking. Delete subsections (c) through (e). The remaining subsection (a) shall remain unchanged. The revised text shall read as follows:

**Section 12.202A. Bicycle parking standards.**

(1) Short-term bicycle parking shall meet the following standards:

- (a) Covered spaces. If twenty (20) or more short-term bicycle spaces are required, then at least fifty (50) percent of the required short-term bicycle spaces shall be covered. Coverage may be provided under roof overhangs or awnings, in bicycle lockers or within or under other structures.
- (b) Location. Short-term bicycle parking should be located along a major building approach line and clearly visible from the approach. The rack area shall be no more than 120 feet from the entrance it serves, or as close as the nearest non-handicap, off-street auto parking space, whichever is farther. Rack area(s) should be clearly visible from the entrance they serve and should be provided near each actively used entrance. In general, multiple buildings should not be served with a combined, distant rack area. It is preferred to place smaller rack areas in locations that are more convenient.

- b. Amend Section 12.202A, “Bicycle parking standards”, subsection (2), “Long-term bicycle parking”, subsection (a), “Covered spaces”, by adding language to allow long-term parking in parking decks, or loading docks to count as covered spaces, and subsection (b), “Location”, by defining the maximum distance long-term spaces can be located from an entrance. Delete subsections (c) through (e). The revised text shall read as follows:

- (2) Long-term bicycle parking shall meet the following standards:
- (a) Covered spaces. All spaces shall be fully covered from inclement weather. Long-term bicycle parking may consist of indoor parking, racks in covered loading dock areas, racks in garage structures, and/or bicycle lockers or other means which provide coverage to the bicycle.
  - (b) Location. Long-term bicycle parking shall be located no more than 500 feet from an entrance they are intended to serve. Such parking may be restricted to use only by employees, tenants, residents or others at the discretion of the property owner or management.

- c. Amend Section 12.202A, “Bicycle parking standards”, subsection (3), “General standards for all bicycle parking”, subsection (b), “Maneuvering areas”, by removing existing maneuvering language and adding language that maneuvering must meet the Charlotte Land Development Standards Manual. Add a new subsection (e), titled, “Design” that references the Charlotte Land Development Standards Manual. Modify the table titled, “Minimum Required Off-Street Parking Spaces by Use” to reflect updated bicycle parking requirements. The remaining subsection (a), (c), and (d) shall remain unchanged. The revised text shall read as follows:

- (3) General standards for all bicycle parking areas:
- (a) Secured. Bike lockers and racks shall be securely anchored to the ground and on a hard surface.
  - (b) Maneuvering areas. Each required bicycle parking space shall be accessible without moving another bicycle. All bicycle parking spaces and areas shall be designed to meet the standards of the Charlotte Land Development Standards Manual.
  - (c) Signs. If required bicycle parking is not clearly visible from the entrance to the building, parking structure, transit station, or lot, a sign shall be posted at the primary entrances indicating the location of the parking.
  - (d) Use. Required bicycle parking spaces shall be available for residents, visitors, customers and/or employees of the use.

(e) Design. Bicycle parking areas shall meet the design specifications in the Charlotte Land Development Standards Manual. Other designs and manufacturers may be deemed acceptable by the Plan Review Staff.

d) Amend Section 12.202, “ Required Number of Off-Street Parking and Bicycle Spaces, Table 12.202, “Minimum Required Off-Street Parking Spaces by Use” to reflect updated bicycle parking rates, and to bold and shade headings, and merge cells. In addition, relocate Table 12.202 before Section 12.202A. The revised Table shall read as follows:

**Table 12.202**  
**MINIMUM REQUIRED OFF-STREET PARKING SPACES BY USE\*\***

<b><u>Permitted Uses</u></b>	<b><u>Number of Auto Parking Spaces Required</u></b>	<b><u>Long-term Bicycle Parking Spaces Required</u></b>	<b><u>Short-term Bicycle Parking Spaces Required</u></b>

(Petition 2005-013, § 12.209, 3/21/05), (Petition 2005-047, §12.203(Table 12.202), 01/17/06)

\* Planning Department staff in conjunction with CDOT may waive or reduce bicycle parking depending on the surrounding land uses of a particular development, and the accessibility of a site by bicycle. One example of a location where less bicycle parking would be required is at a freeway interchange with no connection to the surrounding neighborhoods.

\*\*All square footage is gross footage.

Section 2. That this ordinance shall become effective upon its adoption.

Approved as to form:

  
City Attorney

I, \_\_\_\_\_, City Clerk of the City of Charlotte, North Carolina, DO HEREBY CERTIFY that the foregoing is a true and exact copy of an Ordinance adopted by the City Council of the City of Charlotte, North Carolina, in regular session convened on the 15<sup>th</sup> day of November, 2010, the reference having been made in Minute Book \_\_\_\_\_, and recorded in full in Ordinance Book \_\_\_\_\_, Page(s)\_\_\_\_\_.

WITNESS my hand and the corporate seal of the City of Charlotte, North Carolina, this \_\_\_\_\_ day of \_\_\_\_\_, 2010.
