SUBJECT: Administrative Approval for Petition No. 2011-041 Liberty Properties of
Mecklenburg County

Attached are the revised site plans for the above referenced rezoning petition. The plan shows the required width of dedicated right-of-way to be 25.5 feet along the public streets. Since this change does not alter the intent of the development and meets the requirements of the Charlotte Zoning Ordinance Section 6.207 Alterations to Approval, minor changes, I am administratively approving this plan. Please use these plans when evaluating requests for building permits and certificates of occupancy.

Note: All other Zoning, Subdivision, Tree Ordinance and conditional requirements still apply.
