Here are part of Ohio Governor's accomplishments:

In 2011, 1st Year of Governor John R. Kasich took office, Ohio faced historic challenges. Over 400,000 jobs were lost in the previous four years, unemployment peaked and remained at 10.6 percent between August 2009 and February 2010, and the state faced an \$8 billion budget shortfall. You could see Ohio Governor Accomplishment in 2011 for Job creation and budget balance etc.: Closing an \$8 billion shortfall without raising taxes while preserving the \$400 million annual income tax cut and cutting taxes \$300 million by eliminating the Estate Tax. Till 2013, after a Low of 89 Cents when Governor John Kasich took office in 2011, Ohio Rainy Day Fund Hits All-Time High -- \$1.5 billion.

I attached an overview picture of Governor John Kasich accomplishment for you to review

Here are part of Ohio Governor's accomplishments:

In 2011, 1st Year of Governor John R. Kasich took office, Ohio faced historic challenges. Over 400,000 jobs were lost in the previous four years, unemployment peaked and remained at 10.6 percent between August 2009 and February 2010, and the state faced an \$8 billion budget shortfall. You could see Ohio Governor Accomplishment in 2011 for Job creation and budget balance etc.: Closing an \$8 billion shortfall without raising taxes while preserving the \$400 million annual income tax cut and cutting taxes \$300 million by eliminating the Estate Tax. Till 2013, after a Low of 89 Cents when Governor John Kasich took office in 2011, Ohio Rainy Day Fund Hits All-Time High -- \$1.5 billion.

I attached an overview picture of Governor John Kasich accomplishment for you to review
