Detail Description

ABANDONED VEHICLE - SUZUKI BEIGE/GOLD

6/20/2016 - drove to property and I have tagged this vehicle before. However, despite leaving door hanger as well in the past, have never received response at the door or a phone call from resident. a cardboard plate was made for the vehicle that states a plate was applied for, and that vehicle is insured. ran the VIN again to see if any info had changed - but vehicle has not been insured since 2014. tagged vehicle again and left another door hanger. will tow if no plate. also spoke to complainant on the phone. EEL
 6/30/2016 - returned to property and vehicle is gone. EEL
