Re-inspected property with					
Mr. Massey present. He had					
deaned-up junk items from					
rear yard. He also cut back					
some vegetation along the fence lines and rear yard. He					
still had several mowers					
(riding and push) in the rear					
ard along with a couple small motorized bikes that looked					
questionably operable, but					
he was able to start each one					
and demonstrate that they vere in working order. He has					
several stacks of automotive					
tools in working order near					
the back of the house. At this point, he's in compliance					
however I don't anticipate					
that continuing to be the					
case. From observation of flat red trailers coming and going,					
I think he's bringing in					
appliances, etc. and storing
