Dear Dimple,

Thanks for reaching out to me and good luck for the re-election. I am in India as my mother just had surgery and I hope to be back in US on July 12. I will make the online contribution upon my return. Meanwhile, I have a favor to ask. We have a water leak from the county water line on our property. It been going on for months and the walkway outside our yard is always wet and slippery. One child has already slipped and fallen. We have called Charlotte Water many times in the last month. Charlotte Water sends service people who assess it but don't do anything and keep telling us this is not 'high priority'. My wife has been calling them regularly and we are a bit frustrated. Our address is 1240 Lost Oak Rd, Charlotte North Carolina 28270. If you can help us to help resolve this issue, I would truly appreciate it.

Thanks
Nilanjan.
