Charlotte City Leaders,

The Charlotte-Mecklenburg Fraternal Order of Police, Charlotte FireFighters Association, and the UE150 Charlotte Chapter stand united in opposition to a COVID vaccine mandate for Charlotte employees. Combined, our organizations represent, and speak for, thousands of workers in this city who rely on our advocacy. We understand how COVID has impacted Charlotte but believe all medical decisions shall be an individual choice.

Our organizations do support and encourage our respective members to get vaccinated. Each employee's health and beliefs are unique and this vaccine should be a discussion between them and their medical provider, not elected officials.

Governmental agencies that impose mandates that go against individual beliefs and rights are dangerous and should not be permitted. Your employees have courageously fought through this pandemic and should not be faced with an uncertain future because of a vaccination mandate.

As the voice of your employees, do not mandate the COVID-19 vaccine.

Respectfully,

Mark Michalec  
President, Fraternal Order of Police, Lodge #9

Dominic Harris  
President, UE150 Charlotte Chapter

Tom Brewer  
President, Charlotte FireFighters Association Local 660
